

PAST GRAND ROUNDS PRESENTATIONS BY RESIDENTS

July 2009 - June 2010

Date	Topic	Resident
September 25, 2009	Surgical Management of Pelvic Organ Prolapsed	Blair St Martin
October 16, 2009	Radical Prostatectomy for Clinically Localized Prostate Cancer: Critical Analysis of Outcomes from the University of Alberta Radical Prostatectomy Database	Adrian Fairey
October 23, 2009	Fournier's Gangrene	Chasta Bacsu
October 30, 2009	Regenerative Medicine and Tissue Engineering Urology	Conrad Maciejewski
November 20, 2009	Upper Tract Urothelial Carcinoma	Troy Schultz
December 11, 2009	Urologic Malignancies in Childhood	Joey Roy
January 22, 2010	Penile Cancer	Jeff Zorn
May 21, 2010	Vesico-Vaginal Fistula	Winston Teo
June 4, 2010	Radical Nephroureterectomy for Upper Tract Urothelial Cancer: Critical Analysis of Outcomes from the University of Alberta Radical Nephroureterectomy Database	Adrian Fairey

July 2008 - June 2009

Date	Topic	Resident
September 26, 2008	Renal Cell Carcinoma	Eric Hyndman
October 31, 2008	Management of Advanced Prostate Cancer	Blair St Martin
November 28, 2008	The Expectant Management of Prostate Cancer	David Rebuck
January 23, 2009	Prostatitis	Chasta Bacsu
January 30, 2009	Medical Management of Nephrolithiasis	Joey Roy
February 20, 2009	The Long and Short of Augmentation Phalloplasty	Darby Cassidy
April 24, 2009	Erectile dysfunction and its relationship to future cardiovascular disease risk	Winston Teo
May 22, 2009	Post-prostatectomy Incontinence (PPI)	Troy Schultz
June 5, 2009	Contemporary Management of Small Renal Masses	Conrad Maciejewski

July 2007 - June 2008

Date	Topic	Resident
October 12, 2007	Urethral Cancer: A Review	David Rebuck
January 25, 2008	Review of Robotic Surgery in Urology	Michael Pianezza
February 8, 2008	Current Medical Management of Interstitial Cystitis	Darby Cassidy
February 15, 2008	Greenlight Laser Prostatectomy	Troy Schultz
February 29, 2008	High Intensity Focused Ultrasound (HIFU) for the treatment of Prostate Cancer	Blair St Martin
April 4, 2008	Botox or Bust: Review of Botulinum Toxin in Urology	Chasta Bacsu
April 18, 2008	PSA	Eric Hyndman
May 30, 2008	Critical Analysis of Outcomes from the Alberta Urology Institute Radical Cystectomy Database: Evidence Based Recommendations to Optimize Bladder Cancer Care	Adrian Fairey

July 2006 - June 2007

Date	Topic	Resident
October 6, 2006	Laparoscopic Physiology and Complications	Guy Paterson
October 27, 2006	Non-seminomatous GCT: Management & Controversies	David Rebuck
November 17, 2006	Wilms' Tumours 101	Chasta Bacsu
December 15, 2006	Natural History of Small Renal Masses and Ablative Therapies Tumours	Omar Nazif (Fellow)
March 16, 2007	Upper Tract TCC: Minimally Invasive Management	Shari McKinny
March 30, 2007	Obesity in Urology	Darby Cassidy
April 27, 2007	Muscle-Invasive Bladder Cancer: An Evidence-Based Study	Adrian Fairy
May 4, 2007	Urinary Diversion following Cystectomy: An Update and Review	Blair St Martin

July 2005 - June 2006

Date	Topic	Resident
September 23, 2005	Current Concepts in Nephrolithiasis Management	Trevor Schuler
November 18, 2005	Male Infertility	Sunita Broemling
November 25, 2005	Nephron-Sparing Surgery	Shari McKinny
January 20, 2006	PSA Recurrence - What does it really mean?	Guy Paterson
February 3, 2006	The Natural History, Biology and Genetics of Renal Cell Carcinoma	Vu Truong (Fellow)
March 31, 2006	Perioperative Anticoagulation Balance between Bleeding and Thrombosis	Chasta Bacsu
April 28, 2006	Sexually Transmitted Diseases: An Update and Review	Blair St Martin
May 26, 2006	A Review of Surgical Complications of Renal Transplantation	David Rebuck
June 9, 2006	The Pathophysiology of Erectile Dysfunction, pre and post radical Prostatectomy	Eric Hyndman

July 2004 - June 2005

Date	Topic	Resident
October 1, 2004	Voiding Dysfunction in Children	Steve Schieman
December 10, 2004	UPJ Obstruction	Trevor Schuler
February 11, 2005	Contrast Induced Nephropathy: What's New?	Guy Paterson
February 18, 2005	Sacral Nerve Stimulation - Current Use and Potential Applications	Shari McKinny
April 8, 2005	A Review of Penile Cancer: Controversies & Consensus	David Rebuck
May 20, 2005	Prostate Cancer Risk	Eric Hyndman
June 10, 2005	Pheochromocytoma	Sunita Broemling

July 2003 - June 2004

Date	Topic	Resident
September 26, 2003	Spinal Cord Injury Patients - Urological Management	Niels Jacobsen
October 10, 2003	Superficial Bladder Cancer - Therapeutic Strategies	Steve Schieman
November 21, 2003	Seminoma - What's New for 2003	Trevor Schuler
March 26, 2004	The Laparoscopic Nephrectomy: What Hurdles Remain	Howard Evans (Fellow)
May 21, 2004	Blood and Blood Products Transfusion: A Review of Indications and Complications	Sunita Broemling

July 2002 - June 2003

Date	Topic	Resident
September 6, 2002	Complications of Renal Transplantation	Darcie Kiddoo
October 11, 2002	Update on Vesico-Ureteric Reflux	Howard Evans
November 22, 2002	Cap & Nutrition	William Tinmouth
December 13, 2002	Current Issues in the Diagnosis and Management of Varicoceles	Niels Jacobsen
March 7, 2003	The Use of Surgical Simulators for Residency Education and Mentoring	Steve Schieman
May 2, 2003	Fluid & Electrolytes - A Review	Guy Paterson

July 2001 - June 2002

Date	Topic	Resident
October 19, 2001	Laparoscopic Urology	Martin Duffy
October 26, 2001	NSGCT - Treatment Options	Jeff Campbell
November 23, 2001	Metabolic Stone Disease	Howard Evans
December 7, 2001	Urinary Stress Incontinence (USI)	Darcie Kiddoo
December 14, 2001	Locally Advanced Prostate Cancer (Cap)	William Tinmouth
February 8, 2002	Incidentaloma of the Adrenal Gland	Neils Jacobsen
June 7, 2002	State of the Art - Anticoagulation	Trevor Schuler

July 2000 - June 2001

Date	Topic	Resident
October 6, 2000	Lower Urinary Tract Reconstruction	Keith Rourke
October 20, 2000	Penile Carcinoma	Martin Duffy
November 24, 2000	Theochromocytoma	Jeff Campbell
March 2, 2001	Antenatal Hydronephrosis	Darcie Kiddoo
March 23, 2001	ESWL	Neils Jacobsen
May 25, 2001	Gene Therapy & Prostate Cancer	Steve Schieman
